Charge per volunteer hour not completed.	\$20/hour	Unmet hours billed at end of season: Due Dec 1st

\*To better reflect the true cost of student participation in the program, we are setting the participation fee at the full cost. Your volunteer hours and fundraiser participation allow us to raise funds needed to reduce the cost to students. **\*\*Families who meet the required volunteer commitments will have reduced fees. If volunteer commitments are met, there is no change in student fees for 2019-20.** For the small percentage of families who have not met the commitment, there will be a proportional increase in fees. If you have concerns about meeting your volunteer hours, talk to our VP of Volunteering or any of the LBB board members. There are always opportunities to assist outside of those published in Signup Genius.

You may choose to pay the full amount now or pay ½ of the participation fee now and complete your volunteering during the marching season. Unmet hours will be billed and remaining balances due at the end of the season.

**Winter Season participants are subject to additional participation fees (which are similar to the above) and an additional 15 hours of parent/family volunteering (30 hours total if participating in both seasons)**

<p><b>Multi-student Family Discount:</b> A second student receives a \$75 discount and a third student receives a \$150 discount on participation fees.</p>
