Dear _____

The Liberty High School Marching Band and Color Guard is preparing for their upcoming fall tour. This season the group will participate in four competitions including an overnight trip. As our group continues to improve, the financial demands increase. Additional funds are needed for staffing, design, equipment, uniforms/costumes and all of the operational aspects of the organization. Our operating budget for the 2019-2020 school year is over \$73,000.

Students are asked to be involved in many fundraising activities throughout the year, as they have a direct interest in our groups' ability to function at its highest level. **Students are asked to contribute student fees in the amount of \$300 each.** One of the most efficient ways for students to raise funds is through sponsorships. Many fundraisers give 50% or less of the profits to the student or group. Sponsoring a band/colorguard student ensures that 100% of what you give goes directly to the student's account or our group and can go immediately toward filling our needs. If you would like be a sponsor, please fill out the bottom portion of this letter and mail with a check to the address below. Any amount will greatly benefit your student or our program. Liberty Band Boosters is a non-profit organization so your donation is tax deductible.

If you wish to donate to a specific student or to the Liberty Band Boosters general fund please indicate below. Thank you so much for your support!
