*To better reflect the true cost of student participation in the program, the participation fee is listed at the full cost. Your volunteer hours and fundraiser participation allow us to raise funds needed to reduce the cost to students. ****Families who meet the required volunteer commitments have reduced fees.** For the families who plan to volunteer but do not meet the commitment, there will be an increase in fees based on unmet volunteer hours. Fundraising hours are tracked separately from volunteering hours, and can be met through participation in fundraising events, or by paying the opt-out fee. If you have concerns about meeting volunteer or fundraising hours, talk to our VP of Volunteering or any of the LBB board members. There are always opportunities to assist outside of those published in SignUpGenius.

You may choose to pay the full amount now or, if you plan to volunteer, pay half of the participation fee, and complete your volunteering during the marching season. Unmet hours will be billed and remaining balances due April 9, 2022.
