- Families applying for scholarship funds are expected to participate in all individual fundraisers to raise as much as they are able throughout the fundraising season.
- Scholarships will be awarded only IF the student and parents actively participated in individual and general fundraising.
- Any funds raised will be for payment of participation fees and will not be used for extras such as t-shirts/sweatshirts or band trip costs.
- Scholarship amounts awarded will be based on budgeted funds divided by the number of eligible scholarship applicants at the conclusion of the season.
- Scholarship families are required to meet the volunteering commitment. However, we understand this is not always possible for all families and we will consider all applications.
